

Charity Checkout

by GoodLabs

Accept \$1 and “round-up” donations from your customers.

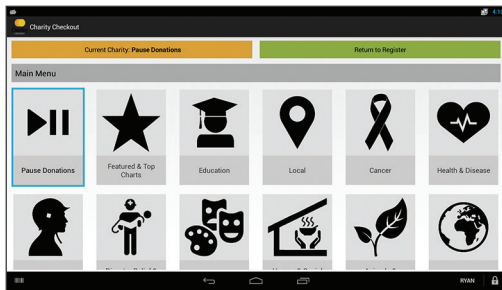

Charity Checkout enables a simple donation upon checkout. Merchants can choose from 100,000+ schools and charities to draw a deeper connection to customers while benefiting from potential tax incentives.

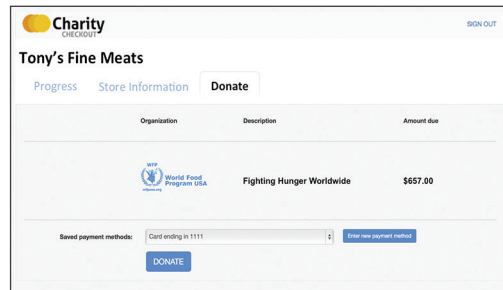

- Support schools & charities in your community
- Boost loyalty & goodwill
- Increase awareness & social recognition

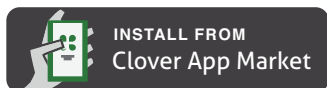

- Choose from 100,000+ schools & charities
- Easily refer new organizations
- Switch charities at any time

- Fully automated
- Payment flow & processing are unchanged

- Invoiced monthly for an electronic donation
- Automatically receive donation receipts for tax consideration
