

Up'n'cross
by Seven Minds LLC

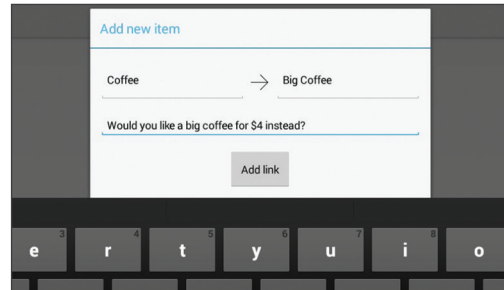

Increase your revenue for up to 25% with up selling and cross selling.

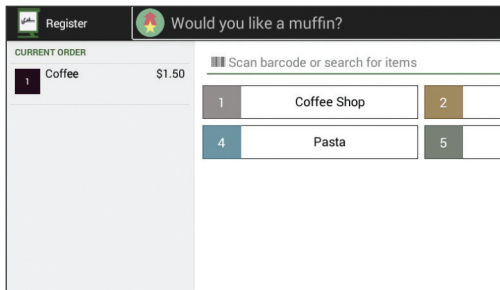

Up-selling and cross-selling allow you to generate extra sales revenue by encouraging your existing customer base to purchase more or to make more expensive purchases.

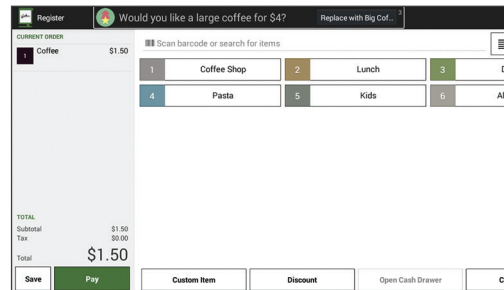

Manage up-selling and cross-selling notifications

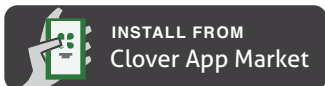

Add up-selling triggers and texts

Say the phrase on the screen and complete a cross-sell with one touch

Say the phrase on the screen and complete an up-sell with one touch
